491 ANIMALS FOSTERED

The foster care program is vital to saving the lives of injured and neonatal animals who need time to heal medically. Our foster volunteers also provide care to pets with special behavior and socialization needs.

756 ACTIVE VOLUNTEERS

Our volunteers logged 13,889 hours of service.

1,097 PETS ASSISTED THROUGH THE KIBBLE KITCHEN

Our Kibble Kitchen was here to provide pet food and supplies to families who needed support. This year, the community need was greater, so we expanded our Kibble Kitchen to further our reach. We started a partnership with **Williamsburg House of Mercy** and we were able to provide assistance to more than 275 families in need this year!

OTHER OUTCOMES

In 2020, a total of 1,587 animals came through Heritage Humane Society's doors. The Heritage Humane Society is an open admission shelter and we take in animals in many different states of health. In addition, neonatal puppies and kittens born to mothers in stressful shelter situations face an uphill battle. Euthanasia at Heritage Humane Society is performed with kindness and dignity to relieve suffering and is part of providing humane care to animals who are suffering. In 2020: 14 animals died and 52 animals were euthanized at the Adoption Center or while in the care of our veterinary partners. Additionally, 81 pets remained in our care on December 31, 2020.
