OTHER OUTCOMES

In 2021, a total of 1,495 animals came through Heritage Humane Society's doors. Of those, 134 pets remained in our care on December 31, 2021. The Heritage Humane Society is an open admission shelter and we take in animals in many different states of health. In addition, neonatal puppies and kittens born to mothers in stressful shelter situations face an uphill battle. Euthanasia at Heritage Humane Society is performed with kindness and dignity to relieve suffering and is part of providing humane care to animals who are suffering. In 2021: 11 animals died and 39 animals were euthanized at the Adoption Center or while in the care of our veterinary partner.
