Dear Community Partner:

Please accept this letter as an introduction to the 2022 Make Par for Pets Golf Classic. This event is organized by the Heritage Humane Society Auxiliary in support of the homeless pets in our community. Heritage Humane Society is a local, independent, open-admission shelter serving Williamsburg, James City County, and beyond. HHS receives more than 93% of its funding through private donations and receives no funding from the Humane Society of the United States or the ASPCA. In 2021, HHS found forever homes for 1,086 pets in our community.

This year we are excited to be hosting the event on Friday, September 16, 2022 at Kingsmill Resort. Golfers in the tournament will have the unique opportunity to play where pro golfers have on the stunning River Course, rated one of the best golf courses in Virginia, or on the Plantation Course which is an Arnold Palmer and Ed Seay design that challenges players of all skill levels.

Make Par for Pets is a great opportunity for you or your company to support a worthy cause and at the same time receive valuable exposure. We offer numerous sponsorship levels, both exclusive and general, each with specific benefits. Enclosed please find details of the sponsorship and participation opportunities for Make Par for Pets, along with a sponsor commitment form. Your involvement will help the homeless animals in our community receive critical medical and social care that will allow them to find a new family.

We appreciate your consideration and look forward to hearing from you soon. Online registration, for both general sponsors and golfers are available now at heritagehumane.org/golf. If you have questions or need additional information, please do not hesitate to contact me. Again, thank you for considering a sponsorship in the 2022 Make Par for Pets Golf Classic.

Sincerely,

Jennifer Lafountain
